

Annual India CLEN Conference-2013

2nd- 3rd March 2013

Venue: King George's Medical University (K.G.M.U.) Lucknow

Theme: Improving P.G. Medical Research and Publication in India

It is our proud pleasure to invite you to the India Clinical Epidemiology Network (IndiaCLEN) Annual Conference at King George's Medical University, Lucknow. IndiaCLEN is a multi-disciplinary, vibrant network of medical academic institutions. This annual conference aims to evaluate the current status of P.G. Research work in India and deliberate on strategies to improve not only quality of research but also on improving publication. Concomitant work-shops will be held for research capacity building in the conferences. Multi- institutional research work will be presented and feedback will be provided by experts, which will assist in their publication. Also IndiaCLEN official Journal "Clinical Epidemiology & Global Health" will be launched.

Abstract last date – 10th Feb 2013 (Format can be downloaded from www.indiaclen.org)
